

5 WAYS TO BOOST YOUR TODDLER'S TALKING

01

Follow Your Child's Lead!

Let your tot choose the toy or activity and join in! Talk about what they are interested in.

Pause and Wait

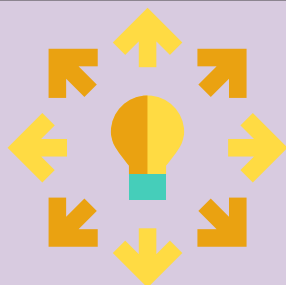

After you say something, **PAUSE** and give your child time to respond.

02

03

Model, DON'T Quiz

Describe what is going on in play instead of constant questions.

Expand

Repeat what your tot said, but add a word or two! ex. toddler - "bird!"
Mom - "A flying bird!"

04

05

Repeat

Repeat important words over and over during play. Tot's need to hear a word A LOT to learn it!
