

# Trick or Treat!

## A Social Story for You!

On Halloween, I dress up in my costume  
and hold my bucket or bag.

I walk with my grownup to our neighbor's home.

I make sure to stay with my grown up.

I see people dressed in costumes, halloween decorations and jack-o-lanterns!

I ring the doorbell and when the door opens,  
I'll say, "trick or treat!"

I get a piece of candy and put it in my bucket.

I say, "thank you" and walk away with my  
grown up.

**When I'm back home, my grown up helps  
me decide if I can eat some of my candy.**

**Trick or treating is so much fun!**
